

## Certification delivery partners 2007

The following tables list registered training providers (RTOs) by State who have signed a Letter of Agreement with IAL to deliver or assess the competencies necessary for certification.

IAL provides support to these training providers so they can deliver the best industry training possible however, we do not dictate prices or how or when they deliver recognition or training.

If you cannot find a provider near you, please call Alison Carmichael on (02) 6628 3344 or email [certification@irrigation.org.au](mailto:certification@irrigation.org.au).
